

Mission Statement

“To achieve continuous improvement in visitor satisfaction and to be perceived by visitors and other organisations as the most respected volunteer managed aviation museum in Great Britain”.

The aims of the Museum

The first airframe was secured in 1963 thereafter the Museum was incorporated as a Limited Company No.930888 [April 1968] and formally registered as a Charity No.256434 [September 1968].

After a number of years spent preparing its permanent site on the Winthorpe Showground, a former World War II training base, the Museum was officially opened to the public on Saturday 14th April 1973.

The Museum relocated to its present leased site on the eastern side of Winthorpe Showground during the winter of 1977/78 and started the long process of re-establishing its collection.

At Easter 1990 the Museum opened its first Aircraft Display Hall to the public and it provided 1,860 square metres of undercover aircraft display space, and currently houses 28 of the Museum’s aircraft and cockpits.

In 1994 the trustees started negotiations to purchase farmland on the museum’s southern boundary with the aim of guaranteeing the Museum’s long-term future. Formal searches and formalities were eventually completed, allowing the purchase of 5.01 hectares of farmland to be completed prior to Christmas 1995.

In 2004 the Museum completed the construction of a second Aircraft Display Hall, which now houses 14 aircraft and cockpits. Occupying 2,400 square metres, the building was completed, thanks to a grant of £453,000 from the Heritage Lottery Fund, and the fund raising efforts and donations from the members and visitors.

After a period of continuing expansion for the aircraft collection, plans were drawn up to build a new Café. This project was completed and opened to the public in 2018.

Gift Aid Declaration

Did you know Newark Air Museum is a registered charity?

If you're a UK taxpayer and you make your membership application under the terms of GIFT AID, the museum is able to reclaim an extra 25% from the government and this does not cost you anything.

You will need to confirm that you are a UK taxpayer and that you understand that if I pay less Income Tax and / or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all of your donations it is your responsibility to pay any difference. You are also acknowledging that you understand that we will reclaim 25p of tax on every £1 that I have given.

Such GIFT AID claims can make a massive difference to charities like the Newark Air Museum. For example, your £50.00 membership fee would generate an extra £12.50 for museum funds and this extra money will go towards the improvement of our visitor facilities and exhibits, or perhaps even help to buy a new exhibit.

As you can see by completing the enclosed GIFT AID declaration form when you apply for membership it can really make a significant additional contribution.

Please become a GIFT AID MEMBER today.
